COMMUNITY OUTREACH PROGRAM

WHAT IS IT?
Community Outreach is a unique program created by Developmental Pathways to assist individuals with developmental disabilities/delays and their families who are waiting for or whose needs aren’t fully met by state or federally funded services.

We help with costs that are beyond those normally experienced by other families.

The primary purpose of Community Outreach is to support individuals by connecting them with community resources and providing funding for unmet needs.

DOES MY FAMILY QUALIFY?
To be eligible for this program you must check these boxes:

- Live in Arapahoe County or Douglas County or the City of Aurora
- Have a family member living in your home who has a developmental disability or delay
- **Not** receive any Medicaid Waiver services*

HOW CAN IT BENEFIT ME?
- Limited Financial Assistance for supports & services
discounts on special programs + services
- Connection to community resources
