BE A VOLUNTEER DRIVER AND DO SOMETHING MEANINGFUL IN YOUR COMMUNITY

Denver Regional Mobility & Access Council (DRMAC) is assembling a team of volunteer drivers in Arapahoe County to help drive young adults who cannot drive themselves. Help them keep their independence by providing them with rides to various appointments and social events.

Flexible scheduling - You decide when and where you are able to drive. We also offer mileage reimbursement, free training and all the warm fuzzy feelings that come with making a difference.

To qualify, we ask that you have a reliable vehicle and the ability to pass a motor vehicle record and background check.

If you're interested or if you know someone who could help, please contact:
