FAMILY SUPPORT SERVICES PROGRAM

also known as **FSSP**

WHAT IS IT ?

The Family Support Services Program (FSSP) is a state-funded program that provides individualized support to families who are caring for a family member with developmental disabilities or delays.

 FSSP helps with costs that are beyond those normally experienced by other families.

The primary purpose of FSSP is to support children with developmental disabilities or delays remaining within their own nurturing family setting and prevent out-of-home placements.

HOW CAN IT BENEFIT ME?
