

LOGIC MODEL FOR NEURODIVERSE COMMUNITY DEVELOPMENT

WHAT DO WE WANT FOR THE FUTURE?

IMPACT STATEMENT:

People with I/DD have variety and choices of housing options and are recognized as an integral part of the fabric of the community

WHAT ARE THE BIG PICTURE OUTCOMES NEEDED TO REACH TO GOAL?

ACCESS TO DIFFERENT HOUSING OPTIONS

Increase incentives for homebuilders

Empower more people to invest in local solutions

Exponentially increase housing stock

Ability to pay for rent, food, etc.

Remove barriers for housing development

Affordable for ELI (extremely low-income) residents

Empower privately driven housing solutions

Tools to navigate options

CONSUMERS ARE INFORMED & UNDERSTAND THEIR OPTIONS

Residential supports available to meet need & variety

Foundational nomenclature across sectors

Tools for private investment of residential options

Education happens in early childhood for lifespan planning (ex. presentations, mentorship, money-saving)

Education into remote support & smart home technology

POLICY FOR PERSON-CENTERED SYSTEM

Identify barriers in rules & regulations

Simplification & expansion on access to services

Expand service delivery options

Building advocacy

Access available for every eligible person with I/DD

IEP/Case Managers need a change of focus in planning for the future

State plan for preventing widespread crisis as family caregivers age

LTSS WITH ENGAGED & SUSTAINABLE DIRECT SUPPORT WORKFORCE

Help service providing agencies not lose money

Advocating for increased wages & career paths for direct support personnel

Recruitment and awareness efforts

INTENTIONAL NEURODIVERSE RELATIONSHIP BUILDING

Foster connections for parent-led initiatives

Peer-to-peer networking

Mechanism for connecting people based on interest & support needs

Outreach to internship/volunteer organizations

Foster natural supports (the "real" social network)

Increase awareness for direct support employment needs

OUTREACH OUTSIDE OF DISABILITY BUBBLE

Potential host home providers/shared living roommates

Housing industry

Legislators

Local planning departments & housing authorities

State Department

Inform investment or philanthropic community

Storytelling

Awareness campaign

WHAT ARE THE ACTIVITIES NEEDED TO REACH OUTCOMES
