AND POSSIBILITIES  
PLAYGROUND

## GRAND REOPENING CELEBRATION!

**Being a superhero means believing anything is possible!**

It's time to come out to play at the updated Butterfield Crossing Park! Be the first to enjoy the sensory-rich, fully inclusive Possibilities Playground that allows visitors of all ages and ability levels to play, be challenged and have fun together.

Thanks to the support of heroes like you, the Castle Rock Parks and Trails Foundation received nearly \$1.3 million from our community to fund adaptive and inclusive play equipment to bring Possibilities Playground to fruition. Now, that's something to celebrate!

Join in the fun at the grand reopening. There will be a ribbon cutting by our own superheroes, food trucks, adaptive sports demonstrations, activities, a DJ and more.

**5-8 P.M. FRIDAY, JUNE 9**

**3952 W. BUTTERFIELD CROSSING DRIVE**
