My County

This helps me find the right Vote Centers, drop boxes, and mailed materials for where I live.

- Arapahoe County — [ArapahoeVotes.gov](https://www.arapahoevotes.gov)
- Douglas County — [DouglasCOVotes.gov](https://www.douglascovotes.gov)

My Plan to Vote

Vote by Mail (choose one):

- ☐ Put my ballot in a 24-hour ballot drop box
- ☐ Drop my ballot off in person at a Vote Center
- ☐ Mail my ballot with a stamp at least eight days in advance

Vote in Person (choose one):

- ☐ Using a pen and paper
- ☐ Using a Ballot Marking Device

Good to Know

- Vote Centers open on _____
- I can only vote once per election.
- I can drop my ballot off anytime at a secure, 24-hour ballot drop box.
- I must return my ballot by **7:00 p.m. on Election Day**. If I'm in line by 7:00 p.m., I still get to vote.

Before I Vote

I can check my voter registration at **GoVoteColorado.gov**

- If I need to update it, I can do this online or ask for help at any of my county's vote centers.

I can get ballot information from the Blue Book, TABOR book, my county's website, or an Election Judge. Assistance is available in many languages, including ASL.

Every Vote Center has accessible voting equipment.

- If I prefer to vote from home but cannot independently complete a mail ballot, I may be eligible to vote using an electronic ballot from home. I can contact my local elections office to learn more.
